

Life Membership of Society for Environment & Sustainable Development-SESD

SESD Life Members is a group of action-oriented members who have made the decision to align themselves in a unique and special way to work for environmental protection & Sustainable Development. The members will help accelerate progress on Sustainable Development Goals through different programs & activities of SESD as well as education, research, advocacy and action.

The members will help in mobilizing resources, generating momentum and creating awareness to achieve Sustainable Development Goals.

About SESD: Society for Environment & Sustainable Development is a non-government organization registered under Societies Registration Act XXI of 1860, India. The organization is also enrolled in the NGO Darpan portal offered by the NITI Ayog, Government of India. Organization working for Environment Protection & Sustainable Development located in New Delhi, India. The Society is committed for environmental protection & sustainable development. SESD is inspired by the UN Sustainable Development Goals Framework which is adopted by countries of the world. We promote SDGs' framework and help the global community in protecting

environment & achieving sustainable development goals through education, research, advocacy, training programs & action.

About Life Membership Certificate:

Society for Environment & Sustainable Development-SESD would like to expand the network of environment & sustainable development members & strengthen connections within and outside our community to support our work and promote activities related to environment protection & sustainable development through education, research, advocacy & action by giving Life Membership to the interested members.

Benefits of belonging to the society includes:

- **Access to research & review articles:** SESD publish regular research & review articles on sustainable development goals. Members will get free access to these articles.
- **Career advancement:** SESD supports members in the advance of their career by providing mentorship, education, and interaction with the world class experts in the field of environment & sustainable development.
- **Networking:** SESD is emerging as one of the world's largest platform for environment and sustainable development professionals & interested civil society members where Life Members can connect with thousands of scientists, educators, practitioners and enthusiasts & collaborate for programs & activities.

- **Discounts:** The Life Members will enjoy substantial discounts on registrations fees for online training programs, conferences etc.
- **Advocacy:** We work with print, electronic & social media to convey powerful messages which will help the global community understand the importance of sustainable development goals & to take action to achieve these goals & to garner public & government support in this regard.
